MCI Toll Free Service Domestic Optional Features and Pricing

- **Extended Call Coverage:** Customers may receive inbound toll free calls from Canada on their domestic MCI Toll Free 800 line
 - No installation fee
 - No additional monthly fee
 - Per minute rate for calls that originate in Canada and terminate in the mainland U.S. and Hawaii
 - Peak (M-F 6:00 AM to 6:59 PM): \$0.6377
 - Off-Peak (all other times): \$0.5332
- **Tailored Call Coverage (TCC) and Exchange Routing (ER) for Toll Free 800:** With Tailored Call Coverage for Toll Free 800, customers may selectively block incoming calls from one or more specific originating areas, area codes or states. Customers may add ER and block calls at the NXX level.
 - \$10.00 installation fee
 - \$10.00 monthly fee
- **Tailored Call Coverage (TCC) and Exchange Routing (ER) for Common Business Line (CBL):** With Tailored Call Coverage for CBL, customers may selectively block incoming calls from one or more specific originating areas, area codes or states. Customers may add ER and block calls at the NXX level.
 - \$150.00 per CBL installation fee
 - No monthly fee
 - \$50.00 per CBL change fee

MCI Toll Free Service International Optional Features and Pricing

- **International Toll Free Service (ITFS):** With International Toll Free Service, a customer may have a Toll Free Number that can be accessed from another country.
 - \$10.00 installation fee
 - \$10.00 monthly fee
 - In order to have Toll Free service from another country, a customer must have Traditional Toll Free Service with International Call Coverage (ICC).
 - Domestic origination [is not available](#) on a Toll Free number with ICC.
 - The International Toll Free Number is only for calls placed within the country to the customer's U.S. terminating ANI.
 - With International Toll Free Service the customer does **not** get to choose their Toll Free Number.
 - Toll Free dialing formats and rates are subject to change by the overseas administrations. However, upon installation of service, a customer's International Toll Free Service Service number, (dialing format) will be official.

- **Universal International FreePhone Number (UIFN):** With Universal International Freephone Number (UIFN), customers may receive inbound Toll Free 800 calls from multiple international countries (from those participating in UIFN program) using one unique number that is the same throughout the world.
 - \$10.00 installation fee
 - \$10.00 monthly fee
 - Customers can submit a request for up to 10 countries for their UIFN service. Customers will be assigned a number depending on availability of the numbers of their list.
 - Currently, there are 16 countries available at this time who have all agreed to the tariffs and special dialing procedures (8 digit number after 800 #).

- The organization addressing UIFN number registration and assignment is the International Telecommunications Union, otherwise known as the ITU UIFN Registrar.
 - This group is located in Geneva, Switzerland and the organization is part of the United Nations.
 - The ITU is responsible for the following:
 - Processing registration requests
 - Assignment of the (GSN) portion of the UIFN
- **Global Business Line (GBL):** With an MCI Global Business Line (GBL), customers may have an International Toll Free number that terminates outside of the United States. A Global Business Line is the international direct dial number converted to an international common business line.
 - \$10.00 installation fee
 - \$10.00 monthly fee
 - This service allows customers to:
 - Quickly and conveniently implement International Direct Dial (IDDD) extensions as part of their Toll Free configuration.
 - Point the domestic 8XX number to a specified IDDD termination on a one off basis or via feature routing.
 - Supports re-pointing of international inbound Toll Free Numbers from selected overseas countries to specified IDDD terminations.
 - Configure a customer's Toll Free service with international links worldwide.
- **MCI International Toll Free Service Rate Table**
 - An additional per-minute charge may apply to International calls to wireless devices in certain countries. Click [here](#) for additional information on International Mobile Termination charges.
